Appeal, Section no 2675
of 28-3-98

Appellant — Nadiga
Bistappa of Gajamur
village, Shimoga Taluk,
Shimoga district.

List of persons whose names
are mentioned in the file:—

Subject

- (1) Venkata Rao & brothers
- (2) Subba Rao
- (3) Ranga Rao — Subba Rao's son.
- (4) (a) Ramappa & (brothers) and
(b) Mallappa (sons of Venkata Rao).
- (5) Bistappa — His father-in-law
was Nadiga Subba Rao.
- (6) Krishnaya — Brother-in-law of
Nadiga Subba Rao &

- (7) Venkata Rao — (minor) son of Mallappa.

This is an appeal
against order no 125
of 19-8-97 of the Dy.
Comm of the Shimoga
district, declining to
dispense with the services
of Nadiga Ranga Rao the
present officiating
Shambhogue of Veerapura.

Facts of the case.

There was a case
regarding the Shambhogi
office of Gajamur mag
before the 3rd Dist. Com

of the district. The petitioner
was Venkat Rao (1) and
the counter-petitioners were
Bistappa (2) and Rangappa (3)

This case was disposed of
by the Asst. Commr. on 12-10-86.

At this time the Baravardar
of the Magani was Venkata Rao (7)
minor son of Mallappa, aged
about seven. Hatti Tammappa
was gunasta to him. During
the Poteji settlement the
Gajapur magani was divided
into four circles. Both

the petitioner & the counter-petitioners
claimed the shambhogi office
of the ~~Magani~~ Gajapur. The

Asst. Commr. decided the
shambhogi office of Gajapur
village in favour of Bistappa

The grounds on which the
Asst. Commr. based his decision
were, that Bistappa had
an Umbli (service Inam land)
in Gajapur village, that
there was the belief Commr's

2. Mallappaya father and guardian of Venkatarao appealed to the Dy. Comr. against the above order of the Asst. Comr. on the ground that Bistappa before Court might not be Bistappa mentioned in the registers referred to in the Asst. Comr.'s order. But Mallappaya failed to substantiate his ground though the Dy. Comr. gave him ample opportunities to prove his case. Therefore the Dy. Comr. rejected the appeal and confirmed the order of the Asst. Comr. in appointing Bistappa to the Shanbhogship of circle no 8 Gajapur.

3 Mallappaya appealed to the Govt. against the order

of the Dy. Comm. referred to
in para 2. But his appeal
was rejected & the Dy. Comm's
order was confirmed on
the ground that Bistappa
had possessed an Umbli

a minor his father-in-law Subba Rao managed the shanbhogi office with the aid of a gunastu called Krishnappa. That even ^{he attained} after the age of discretion the office was a for a time under the management of Ranga Rao son of Subba Rao. That after the settlement of the Potigi he was permitted by the Dy. Commr. in 1886 to do the duties of shanbhogue of Gajamer. But that the office of ^{shanbhoga} Verrupara was not conferred on him on the ground that the village was an suam village & did not belong to the Potigi circle. Therefore that the shanbhogi office of Verrupara might be ^{conferred on} ~~given~~ to him on the same ground on which the shanbhogi office of Gajamer was conferred on him. And that the registers of 1835, 1840 and 1865, the shanbhogi ghadi patti of 1840, the chief commr's order referred to in para 3, the enjoyment of the Umblics & the examination of the current accounts might all be taken into consideration in ~~at~~ conferring the shanbhogi office

abstract statement of the
entire village, balance

of 30 years old, and the
Jari Inamti account.

That he did not know what
accounts the mojaridar
would require & what
accounts he could furnish.

That he learnt that Bistappa
had submitted a petition
claiming the Shambhoji Office
of Gajane & Virapur. That
the said office was enjoyed
by his family from the time
of his grandfather. That during
the life time of his father who
was an Amildar the Shambhoji
office was ~~managed~~ ^{conducted} by
a gunasta called Krishnappa
for 25 years. That Krishnappa
died 20 years back. That

the duties of the office were
~~performed~~ conducted by
him for sometime & then
by gunastas viz Gundoo Rao,
Venkappa and Somappa.

That the office was conferred
on his family as an Inam
by the Anegondi Samsthan.

That during the Settlement
of 'Madigathana' Umbeli
& Bhutananya were

included in the list of names
owing to the missing of
the Taluk records concerning
them. That Bistappa was
not entitled to the office.
That he could not account
for the entry of Bistappa's
name in the Barabalu
registers as hakedar & the
absence of his father's name
in the same as hakedar.
That he was in possession
and enjoyment of the

7. Bistappa agreed to produce
the records required for
surveying the village.

Thereupon the Amildar
reported to the 1st Asst. Commr.
as follows — That Rangappa
failed to ^{produce} certain accounts
required for the detailed
survey of Peerapura when
Mojimidar asked him. But
that Bistappa agreed to produce
the records. That Bistappa's
appointment to the Shambhagi
Office ^{of Gajawade} was approved by the
Govt. decision. But that
his claim to the Shambhagi
Office of Peerapura was
not considered during
the Porigi settlement on
the ground that Peerapura

Note - Considering the date of
Amildar's report & the date of
the Asstt. Commr's order, the dates
seem to be incorrect.

8 The Asstt. Commr
on receiving the above
report approved of the
Amildar's recommendation
and appointed Bistappa
Shambhog of Veerapura
also. as his name was
mentioned in the Barabuluti
register as hukidar.

the above order of the
Asstt. Commr. Kodiga Rangappa
was ordered to hand over
the charge of ~~the charge of~~
the Shambhogi office of Veerapura
to Bistappa

Vide — (12)

9-8-97

10 Whereupon Kodiga
Rangappa appealed to
the Dy. Commr against the
order of the Asstt. Commr
referred to in para 8. on
the following grounds
a. That the Shambhogi
office of Veerapura was

conferred on his ancestors
by Anegondi Samastan
& his family has been in
the enjoyment of the same
up to the present time.

b That Bistappa prepared
the accounts of the village
in 1884-85 and submitted
the same to the Taluk office
with a request - that he
might be ordered to do
the duties of the Shambhagi
office of Veerapura. But that
his accounts were returned.

c And that the Dist. Commr's
order was unjust as it
directed the petitioner to give
up a long standing right
without taking any evidence
~~on the side of the petitioner.~~
on his side.

11 The Dy. Commr caused
notices to be served on
Ranga Rao & Bistappa to appear
before him for enquiry.

They appeared before him
& he, after enquiry, passed
the following order:—

We heard both the
parties. Bistappa stated
of his own accord that
he was not in possession
of the Shambhagi office

— (12) =

Vide - Dy. Commr's order
No 125 of 14-8-97

up to this time. He also stated that his name continued to be in the Revenue Register since 1835. Therefore it seems that he was appointed Shambhogue more than 60 years after he ceased to enjoy the office. Therefore it does not seem fair to determine that this man is the hakdar without enquiring on the grounds (1) that the mojani work was not done properly by Ranga Rao & (2) that Kristappa was old hakdar. Ranga Rao agrees to discharge hereafter the duties of the office without interruption. This is Inam village. Therefore if enquiry has to be made as to the person who possesses a proper hak, it should be made only at the time when the question crops up in a regular suit, when it should be determined before what tribunal and how it ought to be decided.

Under these circumstances ~~12~~ Kristappa the Asst. Commissioner's order based on the report of the Amildar is cancelled and Ranga Rao should be ordered

to work as before.

12. Bistappa has now appealed against the above order of the Dy. Com on the following grounds.

(a) That the petitioner never stated that he was not in the enjoyment of the office of Shambhogi.

Vide - Appeal petition 24-4-98

(b) That Ranga Rao was appointed on his mere statement that he would discharge the duties of the ~~senior~~ office properly in future, is against justice

(c) That the Dy. Com's opinion that the case should be determined in a court by a regular suit, is not proper as he was at full liberty to make proper enquiry regarding the case.

(d) That the petitioner was the Shambhog of Gajmur & Veerapura. That Ranga Rao was only a Shambhog of Agrahar & not of the Magani

(e) That the petitioner's name

alone is mentioned as
 shankhane of Gajam
 & Veerapuram in the
 registers of 1841 and 1865

(f) That in the Barabuluti
 registers of 1835, 1840 and
 1865 petitioner's name
 and his father Dyashtayya
 name are entered. That
 there is also a reference
 to the effect that one
 Krishnappa was gunasta
 to the petitioner. That seven
 or eight years back Ranga
 Rao was permitted to be
 gunasta by him. That
 Ranga Rao was found
 unequal to carry out
 mojarai work satisfactorily
 And that the petitioner was
 ordered by the asst. comr
 to do the duties of the office
 as he was a hukdar.

(g) That Ranga Rao
 has no records to show
 that he has been in possession
 of the office from a long
 time. That therefore the
 Dy. comr's order is not
 based on facts.

(h) And that Ranga Rao's
 appeal to the Dy. comr
 was time-barred.

And he prays on these grounds that he may be ordered to be Shambhogue of Veerapura.

So far as the case relating
to the Sham bop of Virapura
is concerned, the facts may
be briefly stated

The holder of the Inam village
of Virapura applied in
February 1896 for the introdu-
ction of Survey & Settlement
and this application was
completed with by Govt. in
Proc. no 8356 of 12/3/96
R3238

During the progress of the
Survey, the officiating Sham bop
of Virapura (Ranga Rao)
failed to produce certain
accounts required by the measure,
the explanation being that
no such accounts were kept-

When this was reported to the
amdar, he betrays himself

of a petition of 7/4/96

urging his claims to
the Shamlopi Office

The amildar mixed the two
things together viz Ranga Rao's
failure to assist the measurement
by producing certain accounts
& Baidappa's claims to
the Shamlopi Office & arrived
at the conclusion that
the removal of the one
& the appointment of the
other in his place was the
only possible solution of the
difficulty.

The asst Comm^r sanctioned
this proposal, as it seemed
to him that he was giving

on appeal the D Court
held that the removal of
Ranga Rao was uncalled for
~~and that~~ as he agreed before
the D Court to produce the
accounts I that Bhatappa's
claim to the than boy
was one that could be
adjudicated upon only in
a regular suit

Bhatappa has appealed to
Swt. against this order.
His contention is that Ranga
Rao is only a joint sta for
him & that the entries in
the Banatulu Ref are
conclusive evidence of his
title claim and that there
is no necessity for him to
bring a regular suit

The pet of Bhatappa 57/49
presented to the Jannabund

This was unstamped &
should have been returned
for this irregularity, the
exemption from Court fee-stamps
applying only to petⁿs relating
to remission of assessment
& matters usually disposed of
at the Jarnatunda.

The petⁿ was however
referred to the amildar for
report - a practice which
has been repeatedly condemned.
& which ~~cannot~~ can be
justified only by a reference
to ^{para 20 of} Mr. Bowring's repeated
Circular.

The question before the amildar
was how to deal with the
non-production of certain
accounts by the operator
Shambho.

From certain passages in
the amildar's report of 6/4/1.
it appears that the village

formation not
used

is a Devadaya man.
or contains some Devadaya
Gnans. This copy is with
the fact. That no mention
of the Inundant is made
in the Records seems to
show that the Inundant
is a temple managed by
the local officers.

Coming now to the opposite
Shambhoo's failure to
produce the accounts, his
explanation is that no
accounts were kept.

This explanation is perfectly
credible, as he neglects
the Inundant to maintain
the accounts prescribed
by the R R Code & Rules is
notorious & formed the
subject of a reference
by the W Comm^y of Hindan

Even if the failure was
due to Contumacy, the

measures such as fine
suspension &c. before
resorting to the extreme
measure of removal.

In this case this extreme
measure was ~~imposed~~ ^{dictated}
by the desire to drop
of Balappa's claim
simultaneously.

The Comm^y's report
does not show who the demand
is & is inaccurate in its
reference to the survey of the
village. The village was not surveyed
in 1897 but in 1896
when an order of Govt has been

Petitioner appeared
against the order of the
Dy. Commr, which was
issued in reply to report
no 125 of 14-8-97 of the
1st Asst. Commr of the
District.

The order appealed against is as follows—
We heard both the parties. Bistappa stated of his own accord that he was not in possession of Shaubhogi office up to this time. He also

stated that his name continued to be in Barabuluti register since 1835. Therefore it seems that he was appointed Shambhog more than 60 years after he ceased to enjoy the office. Therefore it does not seem fair to determine that this man is the hagdhar, without enquiry, on the grounds (1) that the mojar work was not done properly ^{by Ranga Rao} and (2) that ^(Bisaktha) he was old hagdhar.

Ranga Rao agrees to discharge hereafter the duties of the office without interruption. This is Mam

village. ~~x To know who has claims over this village, it should become a subject of enquiry in a regular suit, when the tribunal by whom it is to be decided & the manner in which it ought to be decided ^{should be} are determined.~~

Under these circumstances the asst. Commr's order based upon the report of the Amildar is cancelled and Ranga Rao should be

Therefore if enquiry has to be made as to the person who possesses a proper hagdhar it should be made only at the time when the question crops up in regular suit, when it should be determined before what tribunal and how it ought to be deci

ordered to work as before?

The petitioner urge the following grounds against the above decision

1 That the petitioner never stated that he was not in the enjoyment of the office of Shambhogi.

2 That Ranga Rao was appointed on his mere statement that he would discharge the duties of the office properly in future, is against justice

3 That the Dy. Commissioner's opinion that the bag should be determined in a court by a regular suit, is not proper as he was at full liberty to make proper enquiry regarding the case.

4 That the petition was the Shambhog of Ganjanur & Veerapur. That Ranga Rao was only a Shambhog of Agras & not the Magani.

5 That the petitioner's ^{name} is alone
is mentioned as shanbhog
of Ganjanoor & Veerapur
in the registers of 1841 and
1865.

6 That ~~in~~ That in the
Barabaluji registers of—
1835, 1840 and 1865—

petitioner's name and
his father Druggabha's
name are entered. That
there is also a reference
to the effect that one Krishnappa
was gunasta to the
petitioner. That 7 or 8
years back Ranga Rao
was permitted to be gunasta
by the petitioner. That
Ranga Rao was found
unequal to carry out
a mojaris work ~~so~~ satisfactory.
And that the petitioner
was ~~appointed~~ ~~ordered~~
ordered by the Asst. Commr.
to do the duties of the office
himself, as he was a
hagdar.

7 That Ranga Rao
has no records to show
that he has been in
possession of the office
from a long time. That
therefore the Dy. Commr's order
is not based on facts.

8 That Ranga Rao's
appeal to the Dy. Commissioner
was time-barred.

On the above
grounds the petitioner
prays that he may
be ordered ~~to~~ to be
drambhog of Veerapur
& that he would produce
certain records to
show that he is the proper
hagdar to the office.

Deputy Commissioner's Office
in 2 with record dated 9th June 1898

To.

The Secretary to the
Government of Mysore
General and Revenue Dept.

Sir,

With reference to Government
official memorandum No. 1329 dated
27th April 1898 forwarding the appeal
petition of Nadiya Bistappa of Gajamar
village in the Shimoga Taluk, appealing
against the order of the Deputy Com-
missioner declining to remove the
present officiating Sanbhog of Veerapur
village, and requesting the submission
of records &c connected with the case
together with a report of the facts
of the case, I have the honour to
state as follows:—

The village of Veerapur
is an alienated village and it
was 

was ordered to be surveyed and settled by the Government during the year 1897, but while survey operations were going on, the officiator Sanbhog Nadiga Ranga Rao failed to furnish the measurer with the required accounts and other information relating to the village. On this the Amildar of Shimoga recommended that Sanbhog Bistappa may be ordered to do the work of the office of Sanbhog as Ranga Rao, the officiator Sanbhog, had failed to render the accounts &c.

2. The 1st assistant Commissioner in charge of the Taluk approved of the recommendation.

3. Nadiga Ranga Rao preferred an appeal against the order of the 1st assistant Commissioner to this court. In appeal the order of the Assistant Commissioner was

reversed on the ground that Bistappa had not enjoyed the office for the last 60 years and upwards, and that he could not be now allowed ordinarily to supersede Nadiga Ranga Rao except in a regular suit and after proper inquiry.

4 The entire Kannada records connected with the case ending with the Shimoga Amildar's Stilla No. 630 dated 26th May 1898 together with the appeal petition of Bistappa are herewith submitted.

I have the honour to be,
Sir,

Your most obedient servant

W. H. M. D. H.
